# Breast Surgery

PATIENT INFORMATION BOOKLET

## COSTS

### Breast Augmentation

Surgeon's fee: \$3790 exc. GST

Anaesthetic fee: From \$1000 exc. GST

Hospital: From \$1500

### Mastopexy

Item number: 45558 - NOT applicable to most patients; strict criteria apply

Surgeon's fee: \$5090 (estimated rebate \$875)

Anaesthetic fee: From \$2300

Hospital: Insured: hospital excess only  
Uninsured: \$1300-\$2000

### Breast Augmentation + Mastopexy

Item number: none applicable for most patients; *45060 applies to patients with tuberous breast deformity*

Surgeon's fee: \$7990 exc. GST (estimated rebate \$875)

Anaesthetic fee: From \$2100 exc. GST

Hospital: From \$2000

### Breast Reduction

Item number: 45523

Surgeon's fee: From \$5990 (estimated rebate \$1300)

Anaesthetic fee: From \$2000- \$3000

Hospital: Insured: hospital excess only  
Uninsured: \$2500 - \$3000

**NB:** The above surgeon's fees do not include garment or prosthesis costs:

Garment: \$60-\$120      Prosthesis (implants): \$2200

The above fees are an estimate only. Formal quotes will be arranged after consultation.

The item number for mastopexy can only be used in exceptional circumstances. Dr Campbell-Lloyd would need to examine you to determine if you meet the strict criteria. If you do not meet the criteria the procedure will be classed as cosmetic and no rebate or hospital cover would be accessible.
